Spring Recreation Loans

It's never too early to start thinking about a new summer toy. Boats, Motorcycles & Campers allow you the freedom to travel and have fun wherever you want, whenever you want. If you're looking for a loan, see us first, we're ready with great rates.

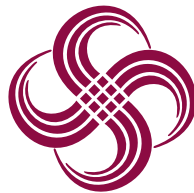

Shared Branching

You can now access your SRCU accounts all over the State of Maine and around the country.

Imagine being on vacation out of state and having access to your account or sending your child off to college with the comfort of knowing you can deposit money in their account here and they can make withdrawals at a participating credit union over there. SRCU is not far- no matter where you are!

Participating Shared Branches (look for the swirl) can be found all over and will provide you access to your accounts and allow you to conduct your financial business just like you would do at SRCU.

On Saturday, May 19th (Noon - 2pm), we would like to invite you to join the conversation about *Eldercare: Prepare Yourself and Your Aging Loved Ones*.

Lynn Peel, Senior Care Advisor at Beach Glass Transitions, will provide you with an eldercare worksheet which serves as a "how to" guide. This comprehensive checklist aids you in navigating all of the legal, financial, medical, and social considerations in finding the best care options for yourself or a loved one. It is also a helpful tool for caregivers to use in getting the conversation started with aging parents or spouses. Lynn will also illustrate how planning ahead with this guide prevents traumatic experiences and saves money.

Please call 375-6538, so that we may hold a space for you.

Graduation, Mother's Day, Father's Day...

Ending Hunger results for 2011

Shelly Page, President/CEO, recently attended the Ending Hunger Rally in Portland on behalf of the Sabattus Regional Credit Union. Your credit union was in the top 25 credit unions for donations and placed 14th in the state for dollars per member given. SRCU contributed \$3,505 to the Maine Credit Union League's grand total of \$446,929.56 for 2011. We thank all of our members for their continued support of Ending Hunger in Maine.

New ADA Rules mean New ATM

Sabattus Regional Credit Union will be sporting a new ATM due to the Americans with Disabilities Act's (ADA) requirements. The standards call for both physical access and communication-related elements to make ATMs usable by individuals who are visually impaired as well as those who have mobility challenges. All members are encouraged to use the new ATM at the 2 Middle Road, Sabattus location for ADA compliance.

We also accept donations of items (no big items please) to add to our sale. All proceeds benefit Special Olympics and Maine Credit Unions' Campaign for Ending Hunger.
