## Membership Drive

To keep Sabattus Regional Credit Union healthy, strong and growing, we are having a membership drive for the whole month of June. That's right, a good old fashion membership drive! We need you, our members to help us. To encourage you to do so, we will be giving you a **\$25 referral fee** for every new credit union member you get to open an account. The \$25 will be paid out after the account has remained open for 90 days.

Remember, the following people qualify for membership at SRCU: anyone who works, lives, worships or attends school and business located in the towns of Sabattus, Litchfield, Monmouth, Leeds, Greene, Wales, Lisbon, Durham, Bowdoin, Bowdoinham, Topsham, Manchester, Hallowell, Farmingdale, West Gardiner, Richmond, Lewiston and Auburn, Maine. This also includes the employees of the SRCU, members of the immediate families of, and organizations or associations of, all persons within the above defined community.

## SRCU Ending Hunger Results

Thanks to our community and staff, SRCU placed 23<sup>rd</sup> in total funds raised in the state and 11<sup>th</sup> in per member contributions. As a big thank you for all their help on this project, our Ending Hunger coordinators **Rachel Rac** and **Flo Poulin** attended the Ending Hunger Rally in Portland. SRCU and our members contributed a total of **\$4,596.77** for the year and in turn, **we will be able to donate over \$5,100** to hunger organizations directly in our local area.

2013 was a record setting year for Maine Credit Unions raising **\$513,309.02**. Since 1990, we have raised more than \$5.3 million for the Maine Credit Unions' Campaign for Ending Hunger, according to John Murphy, President of the Maine Credit Union League. 100% of funds raised go directly to hunger organizations in Maine. Thank you to all of you that participated in our fundraising events.

## Renovations

Spring is in the air and it is time for a face lift at the Credit Union. We will begin work within the next month or two, adding two offices, a waiting area and new reception desk. There will be painting and new carpets going in, too! Please be patient as it may be a little messy and loud during this exciting time.

## It's a Boy!

Congratulations to our own **Amanda Ashton** and husband Kevin on their healthy, precious little bundle. Remington Ashton was born on December 10, almost five weeks early. He was in a big hurry to meet up with his sister Jada and brothers Reese and Eric.

**Please be sure to read our Annual Privacy Policy notification that has been inserted into your statement.**

## Annual Anne Lachance Sidewalk Sale to Benefit Ending Hunger

It's time to spring clean and donate to our Annual Sidewalk Sale. This marks our eighth year of raising money for Maine Credit Unions' Campaign for Ending Hunger by selling second-hand items. The sale will be held on **Thursday, May 29** and **Friday, May 30, 2014**.

Last year's sales brought in over \$615. We are hoping to top this amount and have another successful year. Be sure to stop by to browse through our collection of items. Who knows what treasures you'll find?

We gladly accept your donations, but please be sure they are clean and gently used.

## Coin Counter

You asked and we listened! We have recently had a coin counter installed for your convenience. No more counting and rolling all your loose change — just bring it in, dump it in the machine, it will count your coin and give you a receipt to bring to one of our own friendly tellers who will cash it for you. This service is free for our members, and there's a 6% fee for non-members. Stop by and try it today!

## Total Convenience

Did you know that you can use ATMs for free? All you need to do is SURF! The SURF Network is a surcharge-free ATM network spanning across the state. From Caribou to York you can find an ATM that won't charge you a fee to use. Simply look for the SURF Dude!

These ATMs make travelling easier and more convenient, knowing that you can access your money all across Maine for free. You will see that finding a SURF ATM is easy since there are nearly 230 of them statewide! Use the SURF ATM Locator or download the SURF app from the iTunes store to find a surcharge-free ATM nearest you!
